

TCS Youth Cup 2024

This is the Results page for the Youth Cup, starting with 'Youth E' at the top down to 'Youth A' at the bottom. All the competitors are ordered with first place at the top of the bracket. It is scored by number of Tops, then number of Zones, then attempts to gain the Tops and then finally attempts to gain the Zones. If anything looks wrong, please get in touch. We have kept all scorecards and can easily triple check them.
Again, a massive thank you to all those that took part. We hope everyone enjoyed it as much as the setters were stressing!
